Aqueduct Boating Event | 19th July 2025

Thank you to everybody that took the time to leave us feedback, it is key to making our event the best it can be

A stress-free marketing experience; well organised and reasonably well attended. I'm sure, after we hear back from some of the enquiries, we will have secured some good business. The whole event had a great atmosphere, busy yet quite relaxed. I would like to officially reserve our spot at the show for next year!

David - Amtrim Ltd

The event was very well organised and all Aqueduct staff were incredibly friendly and helpful. The facilities and location are great, so Aqueduct have a great opportunity to turn this event into something good. Good facilities and a great location.

John - Water Freedom

Happy with the show, good few enquiries overall. I think this could slowly build over the coming years. If the show is going ahead next year we are planning on attending again.

Ashley - LeeSan

We had a great time at the event - thank you for having us! It helped to get us to be able to speak to customers, who we may not necessarily get to meet and speak to otherwise. Considering the weather, we had a much better day than expected and have already booked in some of the enquiries we took - Hopefully more to come! The entertainment and set up in the evening was a really nice touch too!

Olivia - Lockgate Stoves

The event went really well, had some interesting conversations about boats/paints etc and found the event was very well organised and run well by the Aqueduct team.

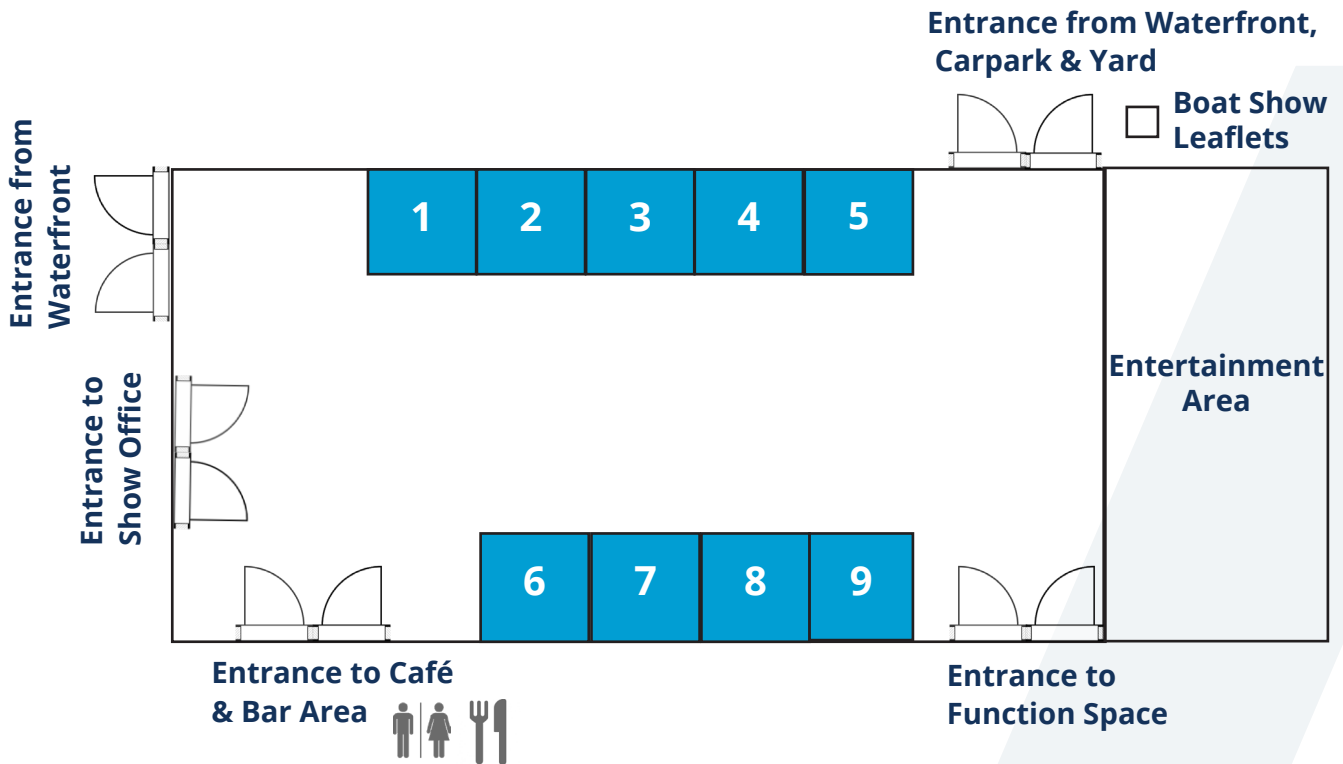

Mark - Marineware
